

Let us help you realise your aspirations and achieve your full potential!

The Food and Beverage Development Fund wants to help dedicated people realise their aspirations and achieve their full potential. We provide financial support to help individuals to further their skills and knowledge through training, education and/or research within South Australia's critically important food & beverage industries. We are proud to be able to support the learning of individuals in our baking, beverage, food processing and meat industry sectors and provide between \$1,000 and \$10,000 to each successful applicant.

We firmly believe in the importance of learning and are committed to assisting those individuals who share this belief. If you would like to develop your skills and knowledge in your chosen career please contact us to see how we may be able to assist you.

With our help, you could end up like....

Corey Barr and Alan Holloway - Meat Industry

I have been in the meat industry for the last 13 years in New Zealand and Australia, always looking for ways to improve myself. My ultimate goal has always been to get a job with MAF in New Zealand or AQIS in Australia. Until recently I have always fell short with the funding to complete the courses required. A friend recommended that I try for funding from the Food and Beverage Development Fund.

Thanks to the Food and Beverage Development Fund I am now well on my way to achieving my goal. Their sponsorship has enabled me to be able to complete all the necessary requirements to be able to get a job with AQIS.

While I have been a sponsorship recipient I have met a lot of people at the annual Food and Beverage get together, who have also been able to help me along the way.

- Alan Holloway
